19 Plaintiff respectfully requests the Court accept this transcript of a partial clip of an audio
20 recording, recorded by Plaintiff herself on November 16, 2020 (also provided to Florence P.D.
21 and House Speaker Rusty Bowers before certification of the election) into evidence for today's
22 hearing. Plaintiff is willing to provide the entire audio recording to both the Court and
23 Defendants. This conversation is a recording of Scott Koch, a man who claims to be a member of
24 the Koch family. Plaintiff has verified with Koch's boss (Shawn Wilson of Mayhem Security
25 Solutions) that Scott Koch is in fact a member of the Koch family, does have Department of

1 Defense (“DOD”) security clearance, airplane and airstrip access and is a pilot. Although Scott
2 Koch claims on the audio recording that he did his work of transporting illegal ballots into the
3 election centers on behalf of “DOD,” it should be noted that he is also employed by Mayhem
4 Security Solutions. Mayhem Security Solutions provided security at the Arizona ballot tabulation
5 centers and staff was observed by multiple witnesses “behind the line” at the Maricopa County
6 tabulation centers.

7 This recording (transcript) was recorded when Scott Koch visited the home of Plaintiff to let
8 her know that a lot of money was involved and he was aware that Plaintiff had a whistleblower
9 within FedEx and knew about planes carrying illegal ballots and that she should “stop” now and
10 she would be ok. Koch alleged that if she did not stop, there would be a staged car accident,
11 something made to appear as a suicide, arrest on false charges, or otherwise discredited and
12 made to appear crazy (he also made reference in this transcript that Plaintiff’s associate Marko
13 Trickovic, who took video at the airstrip, may also come to harm). Plaintiff responded by
14 activating the voice memo recording on her phone and recorded the conversation in which Koch
15 outlined an elaborate plan for which illegal ballots were inserted into the election because Trump
16 did not “play fair.”

17 This recording (transcript) should be admissible under the hearsay exception rule Under
18 A.R.S. § Rules of Evid., Rule 804(b)(3), the following statements (transcript) should be excluded
19 by the rule against hearsay if the declarant is unavailable as a witness, as a “Statement Against
20 Interest. A statement that; (A) a reasonable person in the declarant’s position would have made
21 only if the person believed it to be true because, when made, it was so contrary to the declarant’s
22 proprietary or pecuniary interest or had so great a tendency to invalidate the declarant’s claim
23 against someone else or to expose the declarant to civil or criminal liability; and (B) is supported
24 by corroborating circumstances that clearly indicate its trustworthiness, if it is offered in a
25 criminal case as one that tends to expose the declarant to criminal liability.”

Partial Excerpt of Conversation recorded on November 16, 2020 at approximately 9pm

SB: Loaded stuff on the plane. 'Cause Josh has video of it.

SK: He's got video of someone loaded on that plane? I'd love to see that. Because I know two agents that are standing there.

SB: Who are standing where?

SK: At the plane. When it's in Phoenix.

SB: The 8230?

SK: Yes. Those are my guys standing there.

ST: So if these guys are helping it he needs to know.

SB: Sheesh. Uh...

ST: This just got deep.

SB: But is Josh just makin' up a story? I mean that's 'cause he's got video. He sent me...

ST: Do you remember what I said about Marco?

SB: He sent me- no but he sent me some video.

SK: Okay.

SK: I would love to see video of somebody loading stuff on that plane. If they can produce one.

SB: Well he...

SK: I seriously doubt he can.

SB: He says he has it.

SK: Who?

SB: Josh Barnett. He s- he says he has it.

ST: You think he'll send it to you?

SB: I mean 'cause I'm thinking of - what he did send me and it doesn't show the loading of something on the plane.

SK: I put that Corvette on it nobody had loaded anything on that plane.

SB: What Corvette? Like that...

SK: The one sitting out there..

SB: Oh that little-that's like a little...

SK: No. My Corvette.

SB: Oh, your Corvette.

SK: I know nobody put anything on that plane. There were things unloaded from the plane. But nothing loaded.

SB: What was unloaded from it?

SK: Ballots were unloaded.

SB: Okay.

SK: And they were shipped through UPS and FedEx here.

SB: To somewhere else?

SK: Las Vegas.

SB: I thought some of 'em went to the Maricopa County elections?

SK: Some of 'em did. Most of 'em went to Las Vegas.

SB: Okay. And so Jerry...

V2: (Inaudible).

SB: So Jerry Moyer that gave the tip, right?

SK: I don't know that guy.

SB: He owns the i- Swift Aviation.

SK: Mmm

SB: How would you not know him if...

SK: I've- Swift Aviation doesn't really mean anything to me.

SB: That's where the plane was.

SK: The plane was by Swift. No. Swift Aviation sits here...

SB: Mm-hmm.

SK: Okay? The plane is sittin' here.

SB: Mm-hmm.

SK: But it's not technically at Swift. It has nothin' to do with Swift. They may have seen the plane. They may be involved with the plane. But the plane is in the care of- the care of the National Guard.

ST: So what about the 200 grand that he got dropped in from Korean Airlines?

SK: My guess is he's full of shit.

SK: I don't trust the man.

SB: Because...our government agency, we don't need to pay anybody. National Guard has custody of the plane. The National Guard will have custody of the plane between Oregon and Washington. All three of them.

ST: Can I ask you one question since now that you know about...

SB: So why are they jerkin' me around? Why are they tellin' me all this stuff and...

SK: A lotta these people want be the center. They wanna have information. The problem is, the information they don't want.

SB: Gotcha.

SK: ...the information they wanna have is dangerous as hell.

SB: Yeah. I mean i- I think I think Marco realizes that 'cause he's runnin' around video recording th- all this

SK: Marco I don't know Marco but I know who Marco is. Because Marco is on our radar just like everybody else.

ST: As a good guy or a bad guy?

SK: As somebody to watch.

ST: Okay but like somebody to watch like he's done things to make- because listen...

SB: Well if..

SK: He- he gets involved in things that he shouldn't be involved in.

ST: Okay.

SB: Like the three per...like an- anybody in the three percenters are in the groups are on the watchlist? Or no?

SK: No. There's certain people in the three percenters that are on our watchlist. They... we are watching them because they are bad people.

SB: Gotcha.

SK: They- they are they are not who they say they are. They have no interest in helping the three percenters. They don't have the same values as the...

SB: So the..

SK: ...they are not,

SB: The three percenters are a good group.

SK: Overall.

ST: But Marco's not one...of those guys that you're sayin' ...

SK: No.

ST: ...that he's just on a watch.

SB: He's not a bad guy.

SK: If Marco gets close enough, they will shut him down. They- they have to make it look like he did something illegal. If they put him in prison. If they have to- make him have a car accident.

SB: I mean that's always been the, the shadow government does that. You know, like, yeah.

ST: So, Biden has to get into office. Then- then the vaccine?

SB: So why is Biden? So they're controlling it.. it's the new world order. It's like they're getting Biden...

SK: They are going to..

SB: So...there's nothing...so what if? So wh.. So did wh- who- how.. Did?

SB: So the ballots did jade the election in favor of Biden?

SK: Yes.

SK: In the legitimate election Trump won by a landslide.

SB: Sh- we.. you could tell by how many people show up at Trump ra...

SK: Even California.

SB: Nuh-uh.

SK: He seriously won.

ST: I think California has always been a Republican, but because of the deep state...

SB: Wow.

SK: If you notice, there's another thing- another thing that just happened that everybody's neglecting to see. It's not about the election.
